

Durable, reliable control of incoming air

*"Flip-Up" Bracket
(Patented)*

Fold-out side shields direct air and increase air flow velocity through inlet.

- Made of durable galvanized steel
- New, easy-to-use, patented "flip-up" bracket folds up to accept winch cable (Chore-Time's standard plastic cable clamp fits through grommet)
- One-inch (25-mm) foam insulation repels insects and minimizes condensation
- Each inlet has two smooth-operating, corrosion-resistant stainless steel hinges
- Rigid, durable, lock-formed frame resists warping for improved closure
- No welds or other easy targets for rust
